# **ATTENTION: PM KINDERGARTEN PARENTS**

Dear Parents,

Any PM kindergartener requiring transportation from Darcey School at 3:00 P.M. to the YMCA childcare program will be transported via school bus to Chapman Elementary School. The children will be greeted by YMCA staff members as they exit the bus and will then remain at the school as part of our YMCA after school program.

Parents in need of this service must submit a formal request to the Cheshire Board of Education transportation office. In addition, please send a copy of the request form to the Cheshire Community YMCA. If you have questions or concerns regarding the above procedure, please feel free to contact us at the Cheshire Community YMCA at 272-3150.

Thank you in advance,

Chrissy Cassesse  
Senior Childcare Director
