

## **Parent/Child Aquatic Programs** (ages 6 months to 4 years)

### **Parent/Child Program**

(6 months to 3 years)

This program is a 30 minute class in which a parent or adult participate with a child 6 months to 3 years of age. This program is designed to get both the parent and child comfortable in the water. The class will allow the child to have fun in the water while the parent guides him or her to learn aquatic skills.

Children in this program are required to wear a swim diaper.

Check our current program guide for current class times and prices.

### **Daddy and Me Program**

(6 months to 3 years)

This program is a 30 minute class in which a dad or male role model participate with a child 6 months to 3 years of age. This program is designed to get both the parent and child comfortable in the water. The class will allow the child to have fun in the water while the parent guides him or her to learn aquatic skills.

Children in this program are required to wear a swim diaper.

Check our current program guide for current class times and prices.

### **Preschooler Parent/Child Program**

(2 years and 6 months to 4 years old)

This program is a 30 minute class in which a parent or adult participate with a child 2 years and 6 months to 4 years of age. This program is designed to introduce children to the preschool program only with the comfort of mom or dad too. The class will allow the child to have fun in the water while the parent guides him or her to learn preschool skills. Children in this program must be potty trained.
